A. The following Orders of Government were read and recorded.

1. Proceedings No. 5156-64—L. F. 379-92, dated 2nd November 1895, requesting the Deputy Commissioner of Bangalore to convene a meeting and induce the members of the District Fund and Municipal Boards to take the responsibility of supervising small works.

2. Proceedings No. 7050-2—26-93, dated 18th December 1895, doing away with the contribution of Rs. 500 towards the Dispensary at Sollebail, and directing that necessary provisions for the same should be made in the District Fund Budget for 1896-97.

3. Proceedings No. 5165-73—L. F. 61-95, dated 2nd November 1895, refusing the sanction of grants from Local Funds General for fresh works, and passing orders to the effect that sums required for incomplete works would be placed at the disposal of the Deputy Commissioner on the submission of a list of such incomplete works.

(Statement of works submitted to Government was read in detail.)

4. Proceedings No. 7189-97—L. F. 71-94, dated 21st December 1895, regarding the lighting of musafirkhanas.

B. The undermentioned statements were also read in detail with the results noted against each.

(*a*) Consolidated Budget estimates of receipts for the year 1886-97 under District Funds.	Approved and passed for Rs. 61,661.
(*b*) Statement of Civil Charges.	After some discussion as to the curtailment of certain items a sum of Rs. 19,399-0-0 was allotted as per list attached.
(*c*) Allotment of expenditure on road repairs to be executed by the Public Works Department.	Considering the heavy traffic on some of the roads the rates were slightly altered and a sum of Rs. 30,055 was set apart for the up-keep of the roads. This amount includes the establishment charges of Rs. 4,250 at 17½ per cent and Rs. 1,500 kept as reserve for urgent special repairs.
Proposed by Mr. G. R. Oliver that a grant-in-aid of Rs. 5,544 be asked for from Local Fund General for the European Planters' Ward to be built at Chikmagalur (for which Rs. 2,282-5-0 has been subscribed) in order to make up the amount of the original estimate.	This was unanimously carried.
Numerous proposals of the nature classed below were then made by the Amildars and by the Public Works Department. 1 Sinking wells, 2 Opening out roads, 3 Construction of chavadis and musafirkhanas, 4 Repairing drinking water kattes, &c. 5 Construction of tunnels.	Considering that the amount available for expenditure (on deducting the civil charges and the usual up-keep allowance of roads which are indispensable from the total income) was only Rs. 12,207, which is less than ¼ of the estimated income to be reserved as closing balance; the Board resolved that Government be requested to sanction the reduction of the reserve fund from Rs. 15,415 to the balance of Rs. 12,207 as the sums allotted are indispensable for the expenditure of the works now proposed, and further that a liberal grant of Rs. 40,000 be asked for from Local Funds General to cover the large number of works now left unprovided for owing to the paucity of funds.

A—The following Orders of Government were read for the information of the Board and then recorded.

1. Proceedings No. 9177-85—L. F. 137-92, dated 8th February 1896, enhancing the powers of Presidents of the Boards in regard to works executed by the Revenue Department.

2. Proceedings No. 8346-83—L. F. 76-94, dated 22nd January 1896, declining to introduce any system of levy of fees in respect of musafirkhanas, and stating that Government officials should not occupy them for more than three days at a time without the Deputy Commissioner's special permission.

3. Proceedings No. 8204-13—L. F. 50-94, dated 20th January 1896, approving of the standard plans and estimates for 1st, 2nd and 3rd class musafirkhanas, also No. 11170-8—L. F. 110-95, dated 31st March 1895, sanctioning a cheaper plan estimated to cost Rs. 1,000 in addition to the above

ceedings No. 12009-11—L. F. 404-92, dated 27th April 1896, classing the bangalo at , a 1st class travellers' bangalo from 1st July 1896.

5. Proceedings No. 11721-2—L. F. 379-92, dated 16th April 1896, sanctioning the appointment a Work Inspector for Tarikere taluk on Rs. 20 per mensem as a temporary measure.

B—The following were read before the Board and the results arrived at are noted against each.

1. Proceedings No. 10693-703—G. 319-92, dated 17th March 1896, requesting to report whether the charges incidental on the out-break of cholera may be debited partly to District Funds and partly to medical savings.

Resolved that the cost of medicines and disinfectants be debited to the Medical Department, and that of sheds, dieting and clothing cholera patients be met from District Funds.

2. Proceedings No. 10615-23—L. F. 103-95, dated 16th March 1895, sanctioning Rs. 35 to each of the musafirkhanas for the supply of vessels and leaving the distribution to the Board's discretion.

Resolved that the Amildars be directed to send in lists of utensils required for each, taking into consideration the importance of the place and the class of travellers who generally resort to them.

3. Proceedings No. 11379-86—61-95, dated 8th April 1896, requesting to state what special grant is needed from Local Funds General during 1896-97.

Lists of wells and roads requiring funds proposed by the Executive Engineer and several Amildars were approved and passed by the Board, and it was resolved that the same be submitted to Government as called for.

4. Proceedings Nos. 8081-3—L. F. 61-95 and 8084-6—L. F. 150-94, dated 18th January 1896, sanctioning Rs. 8,679 and Rs. 2,259 from Local Funds General and District Funds, respectively, for the execution of incomplete works during 1895-96. Also Proceedings No. 11424-6—L. F. 61-95, dated 9th April 1896, sanctioning a further grant of Rs. 7,112 from Local Funds General for the construction of four tunnels in the District.

Resolved that the Amildars be directed to inspect all the incomplete works in the Revenue Department at a very early date and submit a detailed report on each of them which should be read at the next meeting.

5. Proceedings No. 10647-55—1495, dated 16th March 1896, calling for suggestions in the matter of sanitary arrangements to be made in places where jatras or fairs last for more than three days.

The Board proposes that the following measures be adopted.

(i) Extra sweepers be employed during the festival for keeping the places clean.

(ii) Watchers be entertained on the occasions to see that no drinking water is polluted.

(iii) Temporary sheds and latrines be built according to the requirements.

(iv) An Hospital Assistant be deputed to the place of jatra.

6. Official Memo No. 10314-9—42-92, dated 20th March 1896, requesting to state in consultation with the Local Fund Board whether they would propose to raise the pay of dandies and other servants of 3rd class bangalos from Rs. 4 to 5.

Considering the wages of labor and dearness of provisions the Board unanimously is of opinion that the pay of servants in question may be raised from Rs. 4 to 5.

7 Letter, dated 23rd February 1896, from Dr. Sidney Smith, requesting to open a new cart road from Tarikere to Katlekhan Estate at the cost of Government.

Resolved that Dr. Smith be informed that the Board regrets their inability to entertain his proposal as the road in question would be of every small benefit to others. Besides the Board considers that at present they have as many roads as they can maintain.

8 Civil Surgeon's No. 855, dated 30th April 1896, requesting to increase the allowance of the Hospital Assistant at Sringeri from Rs. 15 to 20 and to raise the pay of toti from Rs. 6 to 7.

Sringeri being undoubtedly malnad it was resolved that the Civil Surgeon's proposal be recommended to Government for classing the same along with the surrounding dispensaries at Koppa, Hariharpur and Sollebile.

9. Executive Engineer's No. 44, dated 19th March 1896, regarding the extra amount claimed by Mr. Collins for having constructed the log tunnels on the Nemmar-Heggan road.

As the work done by Mr. Collins is undoubtedly for the good of the public it was resolved that Government sanction be obtained for paying the extra sum of Rs. 125, (now claimed by him) from Local Funds General.

10. Sringeri Jaghir Amildar's report to the effect that the Matt authorities are averse to the levy of fees in the 3rd class travellers' bangalo at Sringeri, but claim the services of a watcher for the bangalo at the cost of District Funds.

As the Matt authorities object to the collection of fees in the 3rd class bangalo at Sringeri as is being done according to Rules in other simil[illegible] buildings, it was resolved that the Matt be infor[illegible]ed that the Board regrets that they are unable t[illegible] pay the watcher, as the funds for the paymen[illegible] of the same are obtained from the fees collected.

11. Chikmagalur Amildar's report No. 1268, dated 13th March 1896, regarding the well at Kalasapur. It is stated that though the well is sunk to the depth of 52 feet, of which 42 feet of rocks have been blasted, there appears to be no likelihood of getting water, and to continue the work would require a heavy cost. The Amildar suggests that the present well work be abandoned and the sum remaining unspent be utilised for repairing the sluice of Naikankere (close by the village) which would supply water all the year round.

As the present site for the well seems hopeless, it was resolved that the Executive Engineer be requested to report upon the capabilities and the probable cost of repairing the tank referred to by the Amildar and pending which report the well work be stopped.

12. Proceedings No. 11709-17—L. F. 379-92, dated 16th April 1896, requesting the submission of definite proposals with regard to the establishment for supervising works under District and Municipal Funds.

The Board is of opinion that it is not desirable to entrust the supervision of works under both the Funds to a single hand as much inconvenience would be caused thereby, but that as a sum of about Rs. 10,000 is spent annually from District and Local Funds General, 10% of this sum be made available for the salary of an experienced Work Inspector.

13. Proceedings No. 8274-83—L. F. 55-93, dated 21st January 1896, sanctioning the appointment of a relieving midwife for all the districts, except Mysore and Shimoga.

Resolved that a relieving midwife be entertained when necessary.
